Athletico Awards Night

After another successful season local BD5 football club Athletico FC had its awards night at Bowling Old Lane Cricket Club.

Athletico finished runners up in the Spen Valley League and won the West Riding County FA Flexi League. The club also got into three semi finals and a quarter final in the prestigious Bradford District Cup.

The awards night which took place during May this year focused on individual awards, on the merit of local young men who have been developed and mentored by the club. "Club Player's Player" of the season award went to Haroon Tariq (pictured left) who also picked up the distinguished Spen Valley "Goalkeeper Of The Year" award. These were presented by Athletico's main sponsor Mohammed Zulfiqar from AR Travel & Tours.

Meet Your Community

The Community Council continues to represent the views of local people and tackle key issues in the area, working in partnership with the local authority and other service providers.

Chair of Community Council - Councillor Nasreen Khan • Parkside

I have been a Community Councillor since 2014 and enjoy every moment. My role and purpose as a Community Councillor is to represent the views of constituents within my ward. As a Community Councillor I represent the interests of the ward for which I am elected and constituents enquiries, representations and complaints. I listen and then represent the views when discussing council business and working with outside bodies. I was elected as the Chair of Trident Community Council in May 2016 and re-elected in May 2017.

My responsibilities in this role are effective leadership to foster the interests of my electors and the Community Council. I also co-teach ESOL and Functional Skills in a community setting. My role as a voluntary teacher teaching ESOL is focusing on situations my learners need in their everyday lives. I help learners to develop their functional skills and I enjoy the work I do. I have a positive mental attitude to my work and everyday situations. I thrive upon achieving sustainable results and outcomes. I really enjoy being a Community Councillor and ESOL teacher because I'm a peoples person. I thrive on the promotion of civic responsibility and equipping people to be active in their communities. Sometimes it's challenging but the rewards outweigh the challenges!

Vice Chair Community Councillor Balaal Hussain • Holme top

I am very happy to have been given the opportunity to serve my local community as a Community Councillor. I was born in the BD5 area and have always lived in the Holme Top Ward. I am a Solicitor advocate by trade and have recently set up my own business within BD5 to assist local residents. I am very passionate about serving BD5 and alleviating the problems within the Holme Top Ward, my top priorities are; gully/street cleansing, crime prevention and traffic calming around schools and Madrassas. If you have any cause for concern within the Holme Top Ward feel free to contact me.

Vacancy for Community Councillor in the Holme Top Ward, contact the Clerk for details and how to apply

Community Councillor Habib Afsar • Woodroyd

I feel strongly about supporting the elderly and needy and have done work with a range of social action projects, The elderly and needy were identified so we could provide them with support. This was done in a small capacity and now that i have a fellow Community Councillor, I would like to do more. Gulley cleaning has been done and with the help of the public further gulleys have been identified, which will shortly be cleaned, watch this space. Through my links with a local amateur boxing club, we have managed to set up classes for youngsters at the weekends. These have been popular and have lead to youngsters taking boxing up as a hobby. Working with a local faith centre and a school we have ran a variety of projects ranging from biking, gardening, horse riding and homework clubs. My vision is to continue the diversionary work to ensure these projects serve as early intervention so our young people stay away from crime.

I have worked with an independent school to help overcome its poor Ofsted report and continue to work closely with local schools to help raise educational standards. Being part of the local primary network and a parent governor, I want to focus on helping parents get involved in shaping the next generation of learners.

Community Councillor Shah Mohammed Khokhar • Marshfield

I am a retired teacher living in the Bradford 5 area for over five decades. I know the highs and lows of the area well. My main concern is sports for the juniors and support for the seniors. The area has been ignored for so long and I'll try to make it an area that we all can be proud of.

Community Councillor Kurshid Siddique • Woodroyd

I am currently CEO of an advocacy organisation, where we are working with the NHS and the local CCG's to develop methods to tackle social, health and wellbeing issues affecting the minority communities of West Yorkshire. I am on the equality and diversity grading panel which was set up to grade NHS trusts and CCG's on their performance. I have lived in West Bowling all my life, where I am a part of the local community. Issues relating to our community affect me, my family and community directly. As a new Community Councillor, I hope that I can help make positive changes to improve lives, and as such I would consider it to be a privilege and an honour to do so.

Community Councillors

News 5

TRIDENT
COMMUNITY COUNCIL

Community Councillor Abrar Hussain • Melbourne

My name is Abrar Hussain and I am a Community Councillor for the Melbourne Ward. I have lived in Bradford and in the BD5 area all my life. I am passionate about Bradford and BD5. I want to make a difference to the area and for the residents who live in BD5. If there is anything I can help with please contact me via the Community Council Clerk.

Community Councillor Zemir Akhtar • Ripley

I'm Community Councillor for the Ripleyville area of BD5. I became a councillor in order to get more involved with the communities in the area that I live in. I am hoping to make a difference and have a positive impact in their everyday lives. Currently I work casually as a transport and recovery technician but also as an ESOL teacher, teaching voluntarily with the St.Vincentscharity (formerly CHAS).

Community Councillor Imran Younas • Marshfield

I have been a Community Councillor for nearly two years on a voluntary basis as I am passionate about helping my community benefit from all the services and facilities available to them. I have been in full time employment for the past 15 years and the community work is something I do to help anyone I can within my capabilities. I am also the Chair person for Marshfields Neighbourhood Association and I am also on the chair committee for Athletico FC which is a youth football team.

Community Councillor Shahzada Meer • Ripley

I live in the area and face all the issues of local residents on a day to day basis. I am actively involved in trying to improve the environment by; engaging volunteers and local groups in cleaning campaigns, making ongoing efforts in trying to improve the quality of life in the area by engaging relevant groups and authorities in tackling anti-social behaviour and any other issues raised within the community. Feel free to contact me via the Community Council.

Community Councillor Niaz Ali • Parkside

I have been a Community Councillor in the Parkside Ward since the Community Council began. During this time I have been meeting people from across the ward and have learned about the many challenging issues that we are facing as a community which we are learning to tackle through our Neighbourhood Plan. I am always available to speak to any residents in the Parkside area about any problems they may have. It is an honour and privilege to serve my community and we will continue to move forwards by prioritising issues in the neighbourhood plan to make the area a stronger, safer and greener place to live in.

Councillor Sadaqat Ali Khan • Melbourne

My name is Sadaqat Ali Khan, I represent the Melbourne Ward. I have been a Community Councillor since the Bradford Trident Community Council came into existence in 2009. Over this period of time I have been involved in projects to help the residents of my ward by for example, installing grit bins in the places of worship and community centres. This year I helped organise a gully clean programme in the area. I represent people of wide faiths and views in my ward. I am always happy to help any constituents with any issues.

NEW Clerk to Community Council

My name is Jonathan Crewdson. My background is mostly in the charity sector including recruiting volunteers, fundraising, training and community development work. I have always been passionate about encouraging people to become active in their communities. I have specialist experience in supporting the creation of new community councils and developing their capacity to see them use their powers to the full extent to benefit their localities. I believe that bodies like community councils help to devolve power and influence to a scale that most people can relate to and that they are in a good position to improve and regenerate their areas as they know them so well. I look forward to working with Bradford Trident Community Council as its Clerk and the people of BD5.

Please contact your local Community Councillor by calling the Park Lane Centre on **01274 768064** and leave a message with Jonathan Crewdson, the Clerk to Bradford Trident Community Council with your details and concerns.

Latest News!

HAPPY 10th BIRTHDAY

The Healthy Lifestyles Project has celebrated its 10th birthday on 2nd June 2017. And we now aim to go kicking, walking, running, punching, jogging and eating (healthily) into another year.

Over the past 10 years we have run hundreds of programmes reaching thousands of people in the BD5 area. Many with whom our project has had a long lasting health impact. This year alone, we have engaged with nearly 2,500 people, 80% improving their diet, 83% feeling happier and 77% feeling less isolated. We are recommended by 100% of people we surveyed this year.

Some of our key achievements in improving Health and Wellbeing are:

Delivering a wide range of innovative health and wellbeing improvement services to local people for example: Tai Chi, Food Growing, Aquarobics, Chairobics and Mini Masterchef. Our core principle to build relationships with the community has forged a deep understanding & appreciation of our work which ensures their continued involvement.

We pride ourselves on being creative in weaving health initiatives into the fabric of our community. The real outcomes reached by our project include; reduced loneliness and isolation, reduced feeling of anxiety and depression, Weight loss leading to more active lives, improved nutrition leading to better health and improved relationships within families e.g. Dads and Lads, Parent/Toddler activities. As a special treat, we present to you a gallery of work from the past ten years. From Kammy Siddique, Joanne Archer and Halima Nawaz we would like to thank you for your continued support.

Halima, Kammy & Jo - The Healthy Lifestyles Team

Wellbeing Café

Our Wellbeing Café provides entertainment and social activities as well as access to support for people who may need contact with other services.

It also enables people to meet others in a social and relaxed atmosphere and provide access to a wide reaching support base for those who are caring for someone. The Wellbeing Café delivers a programme of entertainment/social activities and guest speakers. Any older person who is feeling isolated or depressed, or anyone who is becoming a little forgetful and their spouse/carer, would benefit from coming to our café.

The café takes place every SECOND Thursday of the month at the Mayfield Centre. Call 768066 for details.

Bradford Trident Enterprise News

Supporting enterprise and the enterprising people of **BD5**

Initially we got (Local Enterprise Growth Initiative) funding to develop the 'Bradford Grid – business incubation and support project' at The Park Lane Centre and then successfully bid for European Funding to develop the Park Lane Centre further and built the 'Trident Enterprise' extension which now houses a number of different businesses. These businesses range from contract cleaners, to debt advice, to professional services such as accountancy, booking keeping, office support, solicitors, graphic designers and more; many of whom would be unlikely to be based here in BD5 had this business centre extension not happened.

From 2011 Trident partnered in the Bradford Kickstart project which saw us recruit Jonathan Smith, an experienced business person with a strong background in marketing, to assist with supporting budding entrepreneurs to develop their ideas and formally set up in business and to work with local business already established, helping them take on new challenges and develop further. Jonathan worked with over 400 different people in the 5 years this programme ran, achieving results well over what was expected by the funders.

One constant through all of this has been the support and guidance of our Business Director Vipin Joshi, who has long championed the importance of Enterprise and the opportunities associated with self-employment. Vipin has however now stepped aside to take up the Chairmanship of 'Better Start Bradford', where we have no doubt his wealth of experience and dedication to building a better Bradford will be invaluable.

Your New Trident Enterprise Forum

We will soon be establishing a new 'Trident Enterprise Forum', which aims to grow the aspirations of enterprising people in BD5.

We are looking to form a working group that will be made up of local business people, community leaders and education providers; this group will work together to bring the best of opportunities to our area and to support those who live here.

If you feel you may be interested in getting involved with this please get in touch with Jonathan who will happily talk through our ideas in more detail – it is hoped the 'Trident Enterprise Forum Advisory Board' will meet probably three times a year and will focus on local issues and challenges and what we can do to make a positive difference.

Check our new website for local news & updates: www.bradfordtrident.co.uk

Our Free Business Coaching Offer

Despite central funding having fallen away Bradford Trident have kept Jonathan in position to support local businesses and local people with enterprising ideas.

He is still coaching clients old and new helping them to overcome obstacles, being that unbiased 'critical friend' that business people often need. This coaching support is offered totally free of charge to anyone who lives in BD5 or whose business is based here. Jonathan says, "It has been a real privilege to get involved with so many local people in recent years and to help them develop their plans and in turn their businesses. There are times when this work has been quite formal, like helping people draw up detailed business plans, and other occasions where it's just been of case of fine tuning ideas by chewing things over and helping give people the confidence (and in some cases the skills) to give things a go." He goes on to say "No two days are the same, some days you really help people and their ideas fly, on others you may just help to prevent them falling off a cliff." There's absolutely no cost to getting this support, so if you have anything business related you'd like to discuss feel welcome to get in touch.

Jonathan can be contacted on (01274) 768071 or on jon@bradfordtrident.co.uk
