Better Place project

Better Place is an exciting new project which is part of the Better Start Bradford family, and is being delivered by Groundwork North, East & West Yorkshire.

We will be working with families in Bowling and Barkerend, Bradford Moor and Little Horton over the next few years to develop safer and healthier places for children under four to play and walk, and increase access to green spaces.

Peter Murphy, Operations Director, Groundwork, said: "We're looking forward to getting out in the community where we will be meeting and talking to families in the area about their needs, hopes and concerns. It's widely accepted that a poor environment affects health and wellbeing, and that applies to babies and small children too. The Better Place project will show how improving and investing in key features of the local environment can improve children's emotional health and fitness and set them up for life".

Better Place will identify and oversee improvements to local parks and outdoor spaces with the aim of providing a healthier and happier environment for babies, young children and families. The project will also find ways to reduce exposure to harmful traffic fumes for pregnant women and small children. The project will be delivered in collaboration with Bradford Council, Public Health, voluntary and community sector groups, local people and other Better Start Bradford projects.

Details and information on the activities being undertaken by Better Place will be publicised on the Better Start Bradford website www.betterstartbradford.org.uk & their facebook and twitter.

To launch the project the Better Place team need your help in designing an image to be used on a logo for Better Place! Please contact betterplace@groundwork.org.uk or call the Better Place team on 01274 735 300 for more details.

The team are based at the Mayfield Centre, so feel free to drop in and say hi if you are passing!

Chair's Voice

Dear Readers, My name is Nasreen Khan and I am the Chair of Trident Community Council in BD5. I wanted to let our readers know what the Community Council have been doing since the last issue of the BD5 Magazine and future work that will be taking place.

It gives me great pleasure to introduce two new Cllr's to the Community Council. I congratulate and welcome Cllr Satnam Singh for Woodroyd Ward and Cllr Siobhan Dowling for Holme Top Ward. The Community Council and myself look forward to working with them and the new ideas they have.

If you would like to contact Community Councillors in your wards, please visit our website to find out who your Cllr is: visit <http://www.bradfordtrident.co.uk/community-council/>

It was an honour and a privilege to be asked to open a new business in the BD5 area (Manchester Rd) called Fancy Cakes and Crafts. The business owner was someone that really inspired me for what she has achieved in the eight years of coming to the country. Her cakes looked and tasted delicious. She caters to all dietary needs including vegans. The Community Council has been working really hard providing food parcels to elderly residents that are finding it difficult to make ends meet due to circumstances beyond their control. I would like to take this opportunity to thank Inn Churches for always being there and giving us a helping hand.

Future work will be more gully cleaning in the Woodroyd, Marshfields, Holme Top Ward's & will be taking place in Feb, Mar and April. In the very near future the Community Council will start the process of bringing Canterbury into the Bradford Trident Community Council boundary, so keep an eye out for Community Cllr's and myself interacting and getting signatures for our petition to hand to Bradford Council.

Trident Community Cllr's will also be having surgeries in the local centres (locations TBC) with people that may require help and advice with problems they are facing daily. We look forward to meeting you and having a chat. The community council will be leading on the Anti-Drug Campaign with other organisations in BD5 too, so watch out for more information and posters.

LOCAL NEWS

We have had gullies cleaned in the Ripley Ward in November 17 and in the Parkside Ward in December 17.

During this gully cleaning the majority of the back gullies were cleaned with the assistance of the local Community Councillors working in partnership with Bradford Council Ward Officers and Wardens. This went really well, we are now arranging for gully cleaning to take place in the Woodroyd and Marshfield Wards.

We had a clean up in Federation Street from where a lot of Knotweed was removed.

We are currently liaising with Bradford Council, Bowling Allotments and Garden Society in looking at improving the planters at the Top Section of Manchester Road outside the shops.

Residents can also download the Bradford Council App by following this link <https://www.bradford.gov.uk/our-websites/mobile-app/bradford-council-mobile-app/>

Meet the New Community Councillors

My name is Siobhan Dowling, I represent the Holme Top ward along with my colleague Balaal Hussain Khan.

I have recently been appointed as a Community Councillor in January 2018. I look forward to working in partnership with Councillor Balaal Khan and the rest of the Council members to help improve the area

along with the Ward Officers and the residents to help maintain a cleaner and greener BD5. I have lived and worked in BD5 all my life and would like to make a contribution towards improving the area.

My name is Satnam Singh and I am your newly appointed Community Councillor for the Woodroyd ward alongside Habib Rehman.

Its a real honour to represent you and I will endeavour to do my best in representing Woodroyd and BD5.

I'm a community activist and proud Bradfordian, I've worked on many community projects in the area and will continue to do so. I aim to speak out for the local people and look out for the vulnerable members of our community and most importantly listen to you to improve our lives.

Future Community Council meetings Schedule 2018:

Monday 12th February 2018	6:00pm	Park Lane Centre, Park Lane Bradford BD5 0LN
Monday 5th March 2018	6:00pm	Park Lane Centre, Park Lane Bradford BD5 0LN
Monday 2nd April 2018	6:00pm	Park Lane Centre, Park Lane Bradford BD5 0LN
Monday 14th May 2018	6:00pm	Park Lane Centre, Park Lane Bradford BD5 0LN
Monday 4th June 2018	6:00pm	Park Lane Centre, Park Lane Bradford BD5 0LN

Bradford Academy

From Strength to Strength

The Academy opened in 2007 and since then it has grown both in size and ambition. With over 1800 learners from the ages of 2 to 19, the Academy has transformed the community in which it is deeply rooted.

The majority of our youngsters remain with us into Post-16 and 70% of students progress to higher education each year. We are a "Good" school as recognised by OFSTED both in February 2013 and December 2017. We are rightly proud that all aspects of our provision; Early years, Primary, Secondary and Post-16 are consistently good and have been since 2013. You can read the full report in the OFSTED section of our website. With faith at the heart of all that we do, I am proud to lead a team of dedicated staff who are enthusiastic about learning, and committed to our young people and their educational and spiritual journey. We work with a range of partners to ensure that the experience of our young people is personalised, appropriate and challenging. This year saw the Academy achieve it's best ever results. Our Post-16 learners achieved results in vocational subjects that put them amongst the top 10 percent of learners taking these subjects. Our learners taking the Academic A levels also contributed to improved performance and achieved results that put them at the national average for all schools nationally. We congratulate these learners of whom 77% have secured University places including a number at Russell Group Universities. Similarly our GCSE learners were able to maintain and slightly improve on last year's performance despite the English and Maths qualifications being revised to make them more challenging. We had an improvement in the highest grades and a number of learners gained the elusive grades 9, 8 and 7 across English and Maths. Importantly progress of youngsters is now in line with the national average and we look forward to exceeding this in the coming academic year.

Mrs Tehmina Hashmi, Executive Pricipal says; "Before I came into the profession I worked as a scientific researcher in the NHS. I came to teaching 22 years ago and have never looked back. I have spent most of my teaching career in the Bradford District with the exception of my role as Deputy Headteacher in Manchester at an outstanding comprehensive school. I'm passionate about education and the difference it can make to life chances having myself progressed from relatively humble beginnings. It is our mission to ensure that we secure bright and prosperous futures for all the young people at Bradford Academy. I hope that when you visit us, you can see this for yourself".

BD5 Cat Watch

BD5 has a community of stray cats. We can help the cats and your community by keeping tabs on strays and making sure they are looked after but we need your help.

How: Download the app for free. Search for 'Cat Watch'. Take a picture of a stray cat if you see one and send it to us.

Facebook: BD5 Cat Watch.
Email: Matthew.payne@cats.org.uk
Text or call: 07583 954 781

***Come and talk to us:**

Every Monday 12-3 at Park's Convenience Store car park, Parkside Road, BD5 8PW

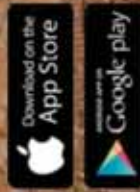

Every Tuesday 12-3 at Woodroyd Centre Community Hub, Woodroyd Road, BD5 8EL
Every Wednesday 12-3 at ARC Canterbury Youth Centre, Arum Street, BD5 9LE

*Follow us on Facebook to stay in the loop and for any changes to days or times

By counting all the stray counts, Cats Protection will work with BD5 to control them better. We're trying to record every single BD5 stray cat – Let's stay in control of your gardens and your streets.

Latest News!

Annual Christmas Lunch

People from across the BD5 area enjoyed an afternoon of festivities over the Christmas period. Elderly members from the Italian Mission, Parkside Community Centre, lunch club, Truncliffe house and other local wellbeing groups attended this year's annual Christmas Lunch.

The room was beautifully decorated with the help of local volunteers, students from Bradford Academy and Bradford Trident staff who prepared all the tables as well as helping with the signing in and serving of drinks and meals to the older people. We would like to thank all Volunteers and staff from Bradford Trident for making this possible.

Manchester Road Gets Fancy

We are delighted to announce the opening of a fabulous new cake shop 'Fancy Cakes & Crafts' on Manchester Road, between the Post Office and AK Accountants, just up from Lidl.

Shamsa Bakari (pictured left), who lives locally, opened her doors on Saturday the 20th of January and is confident that this location will enable her to take her cake baking and decorating business to the next level. There is no doubt that, following on from her Cake Decorating Studies at Bradford College, she has fine-tuned her skills and is now producing the most incredible range of very tasty, freshly baked cakes for all occasions, from contemporary children's birthday cakes to classic wedding cakes and plenty in between.

Shamsa is very quick to thank all those who have helped to support her on this journey. Her family have given her great strength and local friends, such as Harry who entertained the children on Open Day with his balloon sculpting skills, have also helped to build her impressive 'can do' approach and to keep a smile on her face.

The support of Bradford Trident and The Trident Community Council were also mentioned. Jonathan Smith, the Trident Enterprise Coach, says that "working with Shamsa has been a real privilege" and now the shop is open he will be working further with her in developing marketing materials and wider business contacts. Shamsa says, "It has been great to have Jonathan's support and knowing that I have someone locally who I can continue to turn to for business advice and who can help me network and grow my business is brilliant."

Nasreen Khan, chair of the Trident Community Council, when performing the official opening said, "I'm so pleased to see a quality shop like this appear in such a prominent position on Manchester Road, there is no doubt the wedding industry is booming in the local area and knowing there is someone so professional who can cater for the local market is brilliant. The fact that Shamsa is also a BD5 resident is literally 'The Icing on the Cake'.

Fancy Cakes & Crafts is located at 542 Manchester Road, BD5 7LR Tel: 07450 879998 or

We are family
BORNINBRADFORD

BiB needs you!

12,500 families joined the Born in Bradford research study between 2007-2011

Our families gave us information which has helped answer important questions about why most families are healthy and happy but some families are not.

Now, all the BiB children are at school, so we would like to find out how lives have changed for our BiB families over the last 6-10 years. We are calling this project **BiB Growing Up!**

BiB will use what we learn to help plan ways to improve the lives of people in Bradford and elsewhere. We'll be getting in touch with all our families to invite them to take part. Look out for this or get in touch to arrange an appointment with us today.

For more information visit: www.borninbradford.nhs.uk
